Public Notification: Darnall macadamia processing plant development

Mayo Macs SA (Pty) Ltd is proud to announce the multi-year development of a new macadamia processing plant situated at Darnall, Northern Kwazulu-Natal, underscoring our ongoing commitment to our stakeholders and the macadamia industry.

Impact and Commitment:

This project is a significant investment in the region, its people and the local economy.

Throughout the development and operational phases, Mayo Macs SA (Pty) Ltd will maintain its commitment to best practices and environmental sustainability.

Community Engagement:

We remain committed to transparent communication and community engagement as the project progresses.
